

ALLERGY TRIGGERS MONTH BY MONTH

Wherever you live, manage symptoms with ZYRTEC®

Common outdoor allergy triggers—the pollens from trees, weeds, and grasses—are found nationwide. But these pollens hit at different times depending on the location.

Knowing when to expect your allergy triggers can help you be prepared. Have ZYRTEC® on hand before allergy season starts.

- ZYRTEC® relieves the worst allergy symptoms: sneezing; runny nose; itchy, watery eyes; and itching of the nose or throat
- If symptoms include nasal congestion, ZYRTEC-D® contains a decongestant that can bring relief

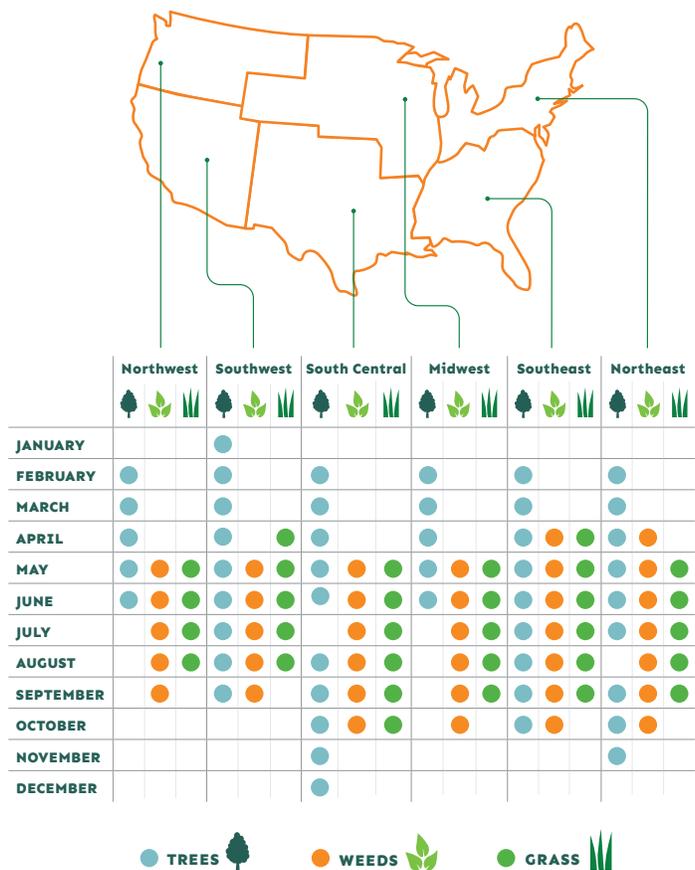

No matter where you live, choose ZYRTEC®.

ZYRTEC® relieves symptoms of outdoor allergies—and indoor allergies, too

Use products only as directed.
